

2012 FEST GEAR PRE-ORDER FORM

Must be received by November 18, 2011

FEST GEAR Pre-Order Options

Sponsors: Pre-ordering is the only way to make sure your students get the sizes they want before we sell out at the Festival. If your pre-order totals 10 items or more, you'll receive a free T-shirt or tote bag! Pre-ordering is easy! Check out these convenient options:

Option A: Collect orders from your students, tally them, and place a group order online with a credit card.

Option B: Tell your students they can go to www.illinoistheatrefest.org and follow the link to INDIVIDUALLY pre-order using their own credit cards. Students will indicate their school affiliation on the pre-order page. All of your students' orders will be packaged together. Pick up your school's order when you arrive at the Festival.

Option C: Do both! Give your students the option of bringing the money to you or ordering online. Either way, your items will be packaged together as a school order for you to pick up upon arrival at the Festival.
